# WHY WORK FOR A CHRISTIAN LAW FIRM?

- Colossians 3 v17 “And whatever you do, in word or deed, do everything in the name of the Lord...”
- We strive for excellence in practice. We are called to give of our best. We want to glorify God by how we do our work
- We have daily morning prayer meetings. We pray for our cases and clients. It’s a fantastic way to start the day.
- We have built up a reputation in the community and North West as a firm that clients can trust. We have quite a number of Christian clients but more that wouldn’t profess to be Christians.
- To work somewhere where similar values are shared makes for a safe and stable working environment

- 
- We place a great of importance on family life and encourage a healthy work/life balance that allows our staff to have a life outside work!
  - We support the local churches in the area and seek to partner with them;
  - We have staff members of all ages and from all sorts of backgrounds;
  - There is a genuine “team” feel in the offices. We all need each other.
  - There is a great opportunity to be in the trenches from the start! As a high street firm, there is lots of client contact, any piece of work can come in. It is never dull!

## Careers at Cowans

*“In tune and informed.  
A really personal service”*

- Our criminal department is looking to expand our existing friendly and hard-working team. We are looking for individuals to support both our Dorking and Ash Vale offices in sharing our large volume of own client case work. Therefore, whilst an individual who has the ability to obtain duty slots in their own right would be advantageous, this is not a requirement of the role.
- The role would likely suit a solicitor, but applications from paralegals with at least 18 months previous experience in criminal defence case-work are also welcome. Primarily, the role would be attractive to a newly qualified solicitor, who is looking for a Firm to support them in attaining duty solicitor status, or a duty solicitor seeking a new challenge at a different firm.
- Out of hours work always available, and paid accordingly, but candidates would not be obliged to take this up.
